

# ***Clayton Parks & Recreation- Membership Information***

The Clayton Town Council has adopted a new fee policy that will be implemented after June 1, 2010. Residents and non-residents will be issued membership cards that will be used for the Clayton Community Center and for registrations in our programs and classes. Participants who reside outside the town limits will have an opportunity to purchase a membership with Clayton Parks and Recreation that will offer benefits explained further in this handout. There is also the option to continue paying the non-resident fee for individual programs or classes.

To use the walking track or to participate in the open gym opportunities for volleyball and basketball in the Clayton Community Center will require a membership card. The card program will offer the choice of daily, monthly, or yearly membership rates. Each participant will swipe their card to enter and use the Community Center. In addition to the walking track and open gym, a membership will allow for benefits such as advanced registration for camps, classes, athletic leagues and shelter rentals.

Please review the following information and contact us at 553-1550 for any questions, or more information.
